

“Remember Me”

Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For even if I'm far away I hold you
in my heart
I sing a secret song to you each
night we are apart

Remember me
Though I have to travel far
Remember me
Each time you hear a sad guitar
Know that I'm with you the only way
that I can be
Until you're in my arms again
Remember me

“My Guitar”

There are days when my heart is so heavy.
There are nights when I can't see a star.
So I find a light in the music,
and the sound of my friendly guitar.
My guitar knows every occasion and we always pick out the right song.
Just as soon as I sit down and strum it, ev'ryone in the room sings along.

(CHORUS) La, la, la.....

I can sing of heroic adventures, of a love, or of some lonely time.
O, the chords I play are all perfect, and the lines of each verse always rhyme.
I can strum in time with the ocean; I can pick out a bouquet of sound.
And as long as my guitar is with me, I will always have one friend around.

(CHORUS) La, la, la.....

If you ever lose your compass - don't know who or where you are;
You can stop whatever you're doing and just pick up your trusty guitar.

(CHORUS) La, la, la.....
