

## “Giraffes Can’t Dance”

Listen to the swaying grass,  
And listen to the trees.  
To me the sweetest music is  
Thos branches in the breeze.

So imagine that the lovely moon  
Is playing just for you.  
Everything makes music,  
If you really want it to.

## “The Climb”

I can almost see it.  
That dream I'm dreaming,  
but There's a voice inside my head  
saying, You'll never reach it  
Every step I'm takin'  
Every move I make  
Feels lost with no direction,  
My faith is shakin'

(Chorus)  
But I, I gotta keep tryin'  
Gotta keep my head held high  
There's always gonna be another  
mountain. I'm always gonna wanna  
make it move  
Always gonna be an uphill battle

Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waitin' on the  
other side. It's the climb

The struggles I'm facing  
The chances I'm taking  
Sometimes might knock me down,  
but No I'm not breaking  
I may not know it,  
but These are the moments that  
I'm gonna remember most, yeah  
Just gotta keep goin',  
And I, I gotta be strong  
Just keep pushing on, 'cause

(Chorus)

## “Can’t Stop This Feeling”

\* I got this feeling - Inside my bones.  
It goes electric-wavy when I turn it on.  
And if you want it inside your soul  
Just open up your heart, let music take control.

### CHORUS

I got that sunshine in my pocket, Got that good soul in my feet.  
I feel that hot blood in my body when it drops. (OOH)  
I can’t take my eyes up off it, moving so phenomenally.  
Room on lock the way we rock it, so don't stop.

Under the lights when everything goes.  
Nowhere to hide when I’m getting you close.  
When we move well you already know.  
Just imagine (Just imagine, Just Imagine)

++ Nothing I can see but you  
When you dance dance dance.  
I feel a good good creepin’ up on you  
So just dance dance dance.  
All those things I shouldn’t do,  
But you dance dance dance  
And ain't nobody leaving soon  
So keep dancin’ I can’t stop the feeling  
So just dance dance dance (x2)

\*\* Ooh it’s something magical,  
It’s in the air, it’s in my blood, it’s rushin’ on.  
I don’t need no reason, don’t need no control  
I fly so high , no ceiling, when I’m in my zone.

### CHORUS

I can't stop the... (echo)  
++ “Nothing I can see but you...”
